**DRAFT BUDGET ESTIMATES**

**FOR THE**

**FINANCIAL YEAR 2024/2025**

**AND**

**MEDIUM-TERM EXPENDITURE FRAMEWORK**

**APRIL 2024**

## FOREWORD

A budget is a consultative policy document that integrates the Government's plans with the available resource envelope. This draft Budget estimates for the FY2024/2025 and Medium Term Expenditure Framework(MTEF) has been prepared in compliance with the Constitution of Kenya 2010 and Section 135 of Public Finance Management Act, 2012. It has been prepared in line with the County Integrated Development Plan (CIDP) 2023-2027, the Annual Development Plan (ADP) 2024, and the County Fiscal Strategy Paper (CFSP) FY 2024 /2025, the National Budget Policy Statement (BPS) 2024, Medium Term Plan (MTP IV) 2023-2027 and the Bottom Up Economic Transformation Agenda (BeTA).

The key Strategic pillar of this Budget Estimates is to strengthen revenue in the fiscal framework while focusing on the vision of the Governor among them, support to key sectors of Agriculture, Trade, Lands & Urban Development, Health, Transport, Education, Water and Social Protection and other areas which this budget article has addressed accordingly. This document also recommends boosting of private sector activities, strengthening of County government's response to pandemic and disaster, Strengthening ICT Capacity, and Human resource development.

The County expects to receive Kshs. 7.587 Billion from the National Government as equitable share, Kshs. 647 Million as local revenue collection and Kshs. 552.51 Million for loans and conditional grants. The revenue will be used to fund priority areas focused on completion of on-going and new projects. The County Government's expected total Expenditure for FY 2024/2025 is Kshs. 8.787 Billion.

The County Treasury shall continue to provide all necessary support to departments during the implementation of the planned programmes and enforce fiscal discipline in line with the provisions of the Constitution of Kenya 2010, PFM Act, 2012 and its regulations of 2015.

---

**Hon. Topista N. Wanyama.**

## **Risk to Revenue Collection and Budget Implementation**

Natural calamities pose the greatest risk to the county's development agenda. The most common disaster affecting Busia County is flooding in Bunyala Sub County. This calamity could delay programs implementation or lead to collapse of projects. Without proper contingency plans, funds meant for other programs could be redirected to mitigate against the effects of this disaster.

### **Linkages**

The budget making processes are interconnected right from formulation, implementation and evaluation. In this regard, the FY 2024/2025 budget estimates is clearly linked to the Budget policy statement 2024 on Equitable share and Conditional grants allocations, County Integrated Development Plan (2023-2027) and the Annual Development Plan 2024 on the key priorities and strategies for Busia County, the County Fiscal Strategy paper 2024 that provides a basis for the expenditure ceilings as per PFM Regulation 26(4), 2015 and the Ceilings set in the County Budget Review and Outlook paper 2023.

## **1. Department of Smart Agriculture, Livestock, Fisheries, Blue Economy and Agribusiness**

### **A. Vision**

A leading county in food security and sufficiency for sustained livelihoods.

### **B. Mission**

To improve the livelihoods of Busia County residents through the promotion of competitive agriculture, provision of support services while ensuring a sustainable natural resource base.

### **C. Performance Overview and Rationale Funding**

#### **Mandate**

The overall goal of Agriculture sector is Rural Poverty Reduction and safeguarding of family food and nutrition security with the main objectives being; Structural transformation of the Economy and Creation of enabling environment for increased investment in Agro-food & allied sector.

Strategies for poverty reduction and food security focuses on activities aimed at improving crops, livestock and fisheries to safeguard real farm incomes, and ensure availability and access to quality food. This entails transformation of subsistence agriculture into commercial production through

- i) institutional organization of the sector and the development of production and marketing infrastructure to support efficient production sustainably
- ii) Facilitate increased production, productivity and profitability of farming enterprises and
- iii) Providing an enabling policy and regulatory environment to facilitate agriculture driven economic transformation of the communities.

The sector has prioritized the development of edible oils (seed cotton, ground nuts, Sunflower, Sesame, Soy bean), Dairy, Poultry, Fish farming, and Beef Value chains to drive the rural economy of the county. Food crops like maize, rice, finger millet, beans are also under production mainly for house hold food and nutrition needs.

### **Major Achievements for FY 2020/2021- 2022/2023.**

During the period under review, the Department managed to record a myriad of achievements highlighted below per directorate;

#### **Fisheries Directorate**

- ❖ Kamarinyang' aquapark stocked with 65,000 fingerlings resulted from production of 3.97 tons of fish valued at Ksh. 1.4 million from 20 fish ponds
- ❖ 116,000 all male tilapia fingerlings 10 grams were supplied and stocked to small holder farmer cages in Bunyala Sub County stocking a total of 21 cages. Expected harvest 30,240 tones
- ❖ 21 bed capacity hostels are under construction at Wakhungu hatchery. At 93% completion rate, the finishing and furnishing works that are ongoing include; Tiling, Furniture, Electronic, Curtains, Electrical connectivity (sockets and meters)

#### **Livestock Directorate**

- Established 20 acres of fodder in ATC...Kalro Alupe and MMUST Butula Campus

#### **Veterinary directorate**

- 300 cows belonging to 180 households benefited from A.I in breed improvement program, this is projected to produce over 230 crossbreeds off springs. Heifers from this activity will have a capacity to produce over 2,000 litres of milk per day, after 18 months.
- 45 slaughter houses across the County have been inspected and licensed by the Veterinary directorate. The facilities are manned by qualified County meat inspectors who ensure the meat for public consumption is safe.
- Over 7000 cattle across the county have been put under regular spraying with acaricide for vector control at 14 crush pens and 1 cattle dip. This has greatly contributed to reduction of incidences of vector-borne diseases by 40%.

#### **Crops directorate**

- A total of 6,220 farmers received cotton seeds with 4,146 acres of land planted with cotton which is expected to give a yield of 3,881 Tons valued at Ksh 252 Million
- Through the partnership with Kenya Crops and Dairy Market Systems (KCDMS) & Farm Input Promotion (FIPs) Africa, the department was able to conduct soil sampling and testing across the county and developed the county soil PH map that will be very instrumental in soil fertility management within the county

### **Constraints and challenges in the budget implementation.**

- Cost of Fodder management and harvesting post establishment poses a challenge in fodder management
- Limited staff facilitation during vaccination and disease surveillance activities
- Porous border hampering control of transboundary diseases
- Mobility challenges due to lack of motor vehicles and motor cycles for field staff
- Obsolete ICT equipment in Sub Counties
- Financial challenges: Insufficient funds to finance Department's priority projects / limited budgetary allocations.
- Human resource challenges: Limited opportunities for refresher courses, understaffing
- Technical challenges: Mobility/Few motorbikes available to support extension
- Poor work environment mostly for sub county and ward offices. (poor office status, water availability, poor sanitation and electricity disconnection).
- Political challenges: inadequate enabling policy and legislative framework, competing interests by political players in prioritizing and distributing projects across the County

### **Recommendations/how challenges in budget implementation will be addressed.**

- As a way forward, the requisition for fodder planting material will encompass the cost of support services to cater for establishment and management
- Allocation of adequate resources for staff facilitation for livestock vaccination, disease surveillance and daily routine activities such as meat inspection.
- Purchase of motor vehicles and motor cycles for field staff to enhance extension activities.

- Funding of programs aimed at improving service delivery across the county.
- Completion of all initiated and ongoing projects
- Avail funds to support extension including motorcycles
- Enact laws and policies to enhance service delivery
- Funding of program in consideration with the proposed budget to ensure full allocation for projects to completion.

**Major services/outputs to be provided in the FY 2024/2025-2026/2027 Medium Term Budget having linked to CIDP/ADP/CFSP**

The Department's development priority programs are aligned to the Ward Based Economic Revitalization program under its three broad sub programs that includes;

- Sub Program 1: Production, Productivity and Profitability of Farm Resources
- Sub Program 2: Market Development
- Sub Program 3: Farm Resource Organization and Management

**D. Strategic objectives**

**CP 1: General Administration and Support Services**

To facilitate the coordination of all programs within the department

**CP2: Ward Economic Revitalization Program**

To reduce Rural Poverty by 50% and to achieve food and nutrition security by 2027

## **2. Department of Trade, Investment, Industrialization, Cooperatives Small and Micro Enterprise (SME)**

### **A. Vision**

A leading department in the promotion of Trade, Cooperative Development and investment

### **B. Mission**

To foster inclusive and sustainable socio- economic development through promoting investment in trade, entrepreneurship, innovation, value addition and cooperative development.

### **C. Performance Overview and Rationale for Funding**

To efficiently and effectively deliver its services, the department has six directorates namely: Trade, Co-operatives, Co-operative Enterprise Development Fund, Industry, Alcoholic drinks and drugs control and Weights and Measures.

The department is mandated to promote trade, investments and Industrialization as well as creating an enabling environment that promotes cooperative development and fair-trade practices as well as alcoholic drinks and drugs control.

The overall objective of the directorate of trade is to promote self-reliance amongst the citizens of Busia County, enhancement of business, job and wealth creation through diversification, innovation, value addition, market linkages and trade infrastructural development.

Through the directorate of trade, the department over sees and promotes cross-border trade through cross-border committees that were formed after establishment of Cross Border Traders Association. This ensures seamless movement of goods and services across the international border and across inter -county borders. It provides traders with requisite trade information to facilitate business networks.

### **Expenditure Trends FY2020/2021-2022/2023**

In FY2020/2021, the department was allocated a total of Kshs.301.4 million and spent Kshs.146.4million, representing an absorption rate of 49%. The department's expenditure for FY2021/2022 was Kshs.132.4 Million against an .318.9 Million, representing an absorption rate of 41%. In the FY2022/2023 the department spent Kshs.123.8 million against a target of Kshs.224.5 million, representing an absorption rate of 55%.

### **Major Achievements for FY 2020/2021-2022/2023**

- The department realized improvements in the business environment due to the construction of 8 markets. Among the markets constructed included Adungosi (FY 2020/2021) Murumba (FY2021/2022) Bukhalalire (FY2020/2021), Further, an improved business environment has been necessitated by increase in the number of small-scale traders accessing credit, under the planned period FY (2020/2021) 204 traders received loans.
- The department was able to construct 2 modern Ablution blocks at Nambale Bus Park (FY2021/2022) and Adung'osi (FY 2020/2021).

There were also significant improvements in the creation of a vibrant and sustainable cooperative movement for improved incomes. The improvement was influenced by the development of 25 Cooperative Societies in F/Y (2020/2021) , 30 Cooperative Societies in F/Y (2021/2022) and 50 Cooperatives Societies in F/Y (2022/2023) and the county's ability to conduct 18 Cooperative audits in F/Y (2020/2021) , 22 Cooperative audits in F/Y (2021/2022) and 12 Cooperative audits in F/Y(2022/2023)

There was improvement in consumer protection through improved fair-trade practices. Increased consumer protection was enhanced due to improvement in the number of legal metrology equipment examined, tested and verified (FY 2020/2021) 1807, (FY2021/2022) 674 and (FY2022/2023) 1550

Cooperative Enterprise Development Fund was able to issue loans to 7 Cooperatives societies in F/Y (2020/2021).

- The department was able to construct County Aggregation and Industrial Parks (CAIP) at a cost of Ksh. 250,000,000 with the National Government committing the same amount of Kshs. 250,000,000 to the project in F/Y (2023/2024). The project is expected to be completed before the end of F/Y 2023/2024 at a total cost of Kshs.500,000,000.
- The department developed Busia Investment Policy in F/Y (2022/2023) which is currently in the County Assembly for approval.

#### **Major Services/Outputs to be provided in the FY2024/2025-2026/2027**

- During the 2024/2025 financial year, the department will implement programs targeting co-operative growth, trade enhancement, industrialization, fair trade practices, alcoholic drinks and drugs abuse control and support

to Micro Small and Medium Enterprises (MSMES).

- The directorate is supporting micro, small and medium enterprises by giving those loans through the Trade Development Revolving Fund. The traders are also trained and equipped with enterprise management skills.
- Through the Co-operative Enterprise Development Fund, Co-operative institutions continue to receive financing that revolve among the more than 100 cooperative societies in the county.
- The directorate of cooperatives continues to promote new cooperatives and to strengthen them through education and training of cooperative leaders, staff and members.
- The Weight and Measures Unit ensures that verification of weighing machines in business premises has been done so as to meet the customer satisfaction in terms of quantity and quality of goods or produce being sold to them.
- Further, the department will continue to spearhead construction of markets and market stalls across the county in addition to strengthening capacity of co-operatives. To effectively discharge its mandate, the department intends to upscale loans to cooperatives by increasing funding through the Co-operative Enterprise Development Fund through which registered co-operatives can access credit facilities

#### **Output Linked to CIDP/ADP/CFSP**

Key outputs that have been identified on CIDP are MSME loans, grants, and revolving funds disbursed, Markets established, Modern Ablution Blocks constructed, Boda-Boda sheds constructed, Cotton value added, Rice value added, milk value added, and Cooperative Enterprise Development Fund Upscaled. On ADP, these outputs have been directly replicated in planned period of 2024/2025. Further we have linked all the outputs from CIDP and ADP to the CFSP.

#### **D. Strategic Objectives**

##### **CP 8: General Administration and Support Services**

To facilitate the coordination of programs within the department

##### **CP 9: Trade Development and Investment**

To increase access to trade and Investment

##### **CP 10: Fair Trade Practices**

To strengthen fair trade practices

**CP 11: Industrialization**

To promote industrialization

**CP 12: Cooperative Business Development**

To improve access to cooperative services

**CP 13: Alcoholic Drinks and Drug Abuse Control**

To control production, distribution, sale and consumption of alcoholic drinks and drugs in Busia County

### **3. Department of Education and Industrial Skills Development**

#### **A. Vision**

A quality education and training for all to transform Busia into an intelligent county in the frontline of global progress and innovation.

#### **B. Mission**

The department mission is to provide accessible, holistic and quality education and training to all, for the socio-economic and sustainable development of Busia County

#### **C. Performance Overview and Rationale for Funding**

The department has two directorates namely; Directorate of Early Childhood Development Education (ECDE) and Directorate of Industrial Skills Development (ISD).

##### **Mandate**

It is charged with the overall management of ECDE and technical training specifically to manage, promote and administer pre-primary education, to develop and impart industrial development skills, knowledge and attitudes, productivity and entrepreneurial skills and support special needs education (SNE).

The Directorate of Early Childhood Education managed to successfully undertake the following programs:

- ✓ Roll out of school meals and nutrition programme to all public preprimary schools. This programme has led to increased enrolments in all ECDE centers and it will go a long way in combating malnutrition among ECDE pupils.
- ✓ The department has initiated Education sponsorship programme dubbed COUNTY SCHOLARSHIP that is aimed at sponsoring education for a total of 105 bright and needy students across the county.
- ✓ Preparation of tables and chairs for ECDE centers
- ✓ Developed school meal and nutrition framework and policy with support from UNICEF

##### **Ongoing Projects**

- ✓ The site handing over for the construction of 1 ECDE classroom in each of the Seven schools has already been done. (Mundaya, Busembe, Sindonge in Samia subcounty a Artha Odera, Akubaiticha, Katilanyang and Kisiombe primary in Teso North ).

- ✓ There is also ongoing advertising for the construction of 1 ECDE classroom at each of the 3 schools... (Okisimo primary, Akatagoroit primary and Murende primary).

The Directorate of Vocational Training was able to successfully undertake the following programs:

- ✓ Site handover of the Butula Administration Block to the contractor to be completed in 16 weeks from the date of handover (26<sup>th</sup> February 2024)
- ✓ Site handover of Buburi Administration Block which is still under construction.
- ✓ Okisimo Administration Block site handover.
- ✓ Matayos Masonry Workshop site handover on 20<sup>th</sup> March 2024.
- ✓ Signing of the MoU between KCB foundation and The Department of Education, Industrial Skills Development for 2jiajiri scholarship which will ensure full scholarship of 500 applicants in selected VTCs.

#### **D. Strategic Objectives**

##### **CP 1: General Administration and support services**

To facilitate the coordination of Education programs within the department

##### **CP 2: Early Childhood Development Education**

To increase access to equitable and quality early childhood education

##### **CP 3: Industrial Skills Development**

To increase access to equitable and quality Vocational Training

##### **CP 4: Education Support**

To Provide Affordable and Quality Education and Trainin

#### **4. The County Treasury and Economic Planning**

##### **A. Vision**

To be a prosperous County committed to prudent financial management, economic planning and technological innovations.

## **B. Mission**

To provide high quality financial, economic and advisory services through efficient and effective fiscal planning, resource mobilization, budget administration, coordination, formulation and implementation of policies and programs for accelerated, equitable and sustainable development for the citizens of Busia County through technological innovations.

## **C. Performance Overview and Rationale for Funding**

The department comprises of two sections; County Treasury and Economic Planning. The County Treasury Section consists of four directorates namely Accounting Services, Supply Chain management, Revenue and Budget while Economic planning section consists of Economic Planning, County Bureau of Statistics, Internal Audit and Monitoring and Evaluation.

The County Treasury section consists of Directorate of Budget whose role is preparation of County budget and planning documents, Directorate of Accounting Services mandated to undertake payments and production of financial reports, Directorate of Revenue is responsible for collection of own- source local revenue, Directorate of Internal Audit which is responsible for carrying out audits of the County projects to ensure value for money is realized and Directorate of Supply Chain Management which undertakes procurement of goods and services for various County entities. Economic Planning section consists of Directorate of Monitoring and Evaluation responsible for continuous monitoring of County projects during the implementation phase as well as end term evaluation to assess the impact of projects, Directorate of County Bureau of Statistics responsible for coordinating development, production and dissemination of statistics emanating from the various departments and agencies of the County Government and Economic Planning Directorate that prepares development plans, provide advice on planning and economic policy issues to the executive and undertaking economic analysis among others.

The department is accountable for the financial management of the County Treasury. Its key functions are; revenue collection and Management; planning and budgeting, appropriate procurement of goods and Services, formulation and promotion of County fiscal and economic policies.

**i. Key achievements.**

- ✓ The department strictly complied with the Public Finance Management Act and other legal financial Acts and regulations
- ✓ The directorate of Economic planning effectively discharged its mandate in formulation, coordination of implementation, monitoring and evaluation of economic development plans, policies and strategies geared towards achieving county development agenda. The directorate spearheaded preparation of Annual Development Plan. Furthermore, through the M&E unit, monitoring and evaluation of county projects and partial operationalization of the e-CIMES was undertaken.
- ✓ Accounting services through its mandate ensured proper control and accounting for receipt and expenditure of public funds which was achieved through development of financial policies and procedures, administration of applicable legislation, timely preparation of financial statements and financial reports.
- ✓ Budgeting and planning were timely done which assisted in implementation of county priority programmes and projects across various departments. Moreover, technical support, advice and guidance on fiscal and budgetary matters were availed to all stakeholders in the County.
- ✓ Supply chain management directorate enhanced adoption and implementation of e-procurement as a method of procuring goods and services in line with the Public Procurement and Asset Disposal Act, 2015.

**ii. Challenges.**

- ✓ Inadequate capacity building and training for the staff to meet the changing dynamics of operations.
- ✓ Inadequate infrastructure to harness and maximize revenue generation from various streams. Furthermore, there is limited infrastructure for full automation of all revenue sources.
- ✓ Lack of audit management tools; Essential audit management software.
- ✓ Data obtained from the department is not always adequate and sometimes not verifiable hence the need to come up with a framework for the County government to collaborate and partner with KNBS in conducting surveys

## **D. Strategic Objectives**

### **CP 18: General Administration and Support services**

Improve Efficiency in co-ordination of service delivery to County departments

### **CP 19: Public Financial management**

To enhance public financial management in the County

### **CP 20: Economic Policy and Planning**

To Improved Economic Policy formulation, planning and M&E

## **5. Department of Youth, Sports, Culture, Gender and Creative Arts**

### **A. Vision**

A socially self-driven and empowered community.

### **B. Mission**

To mobilize the Busia Community for sustainable social protection, talent nurturing, heritage preservation and creating equal opportunities for children, youth, women, PLWDs, Older Persons and other vulnerable groups for holistic growth and development.

### **C. Performance Overview and Rationale for Funding**

#### **Mandate**

The department is comprised of five directorates namely; Sports, Youth Affairs, Tourism, Gender, Culture and Social Services. The department is mandated to mobilize the communities in Busia County for sustainable social protection, talent nurturing and creating equal opportunity for Youth, Women, PWDs, Older Persons and other vulnerable groups for holistic growth and development.

#### **Expenditure Trends FY 2020/2021-2022/2023**

The department's allocation for FY 2020/2021 was Kshs. 184.4Million against expenditure amount of Kshs.119.9Million, representing an absorption rate of 65%. In the FY 2021/2022 the department was allocated

Kshs.217.2Million against expenditure of Kshs.117.3Million, representing an absorption rate of 54%. The department's allocation for FY 2022/2023 was Kshs. 178 Million against expenditure amount of Kshs.103.8Million, representing an absorption rate of 58%

### Key Achievements

- The Directorate of Sports has targeted to support 2 teams to participate in the Kenya Youth Inter-County Sports Association games (KYISA) that include football and basketball. The Directorate has supported various County teams that participated in various tournaments including Talanta Hela.
- The Directorate of Culture and Social Services has disbursed a total of Ksh.10M to vulnerable groups across the County. This will facilitate and enhance social economic growth. The Directorate has conducted Cultural Festivals that promote cultural heritage and Integration.
- The Directorate of Gender is in the process of developing SGBV policy which will provide a framework for protecting individual from Sexual and Gender-based violence.
- The Directorate of Youth Affairs has conducted training among Youth in matters Entrepreneurship and Business Development, through strategic partnership, the directorate has managed to equip Nambale Youth Empowerment Centre with IT equipment and furniture

### Challenges and Way forward

CHALLENGES	WAY FORWARD
Inadequate budgetary allocation to the directorate	Solicit for sufficient funding to effectively run the affairs and projects and programs of the directorate; both from the County Government and other development partners.
Lack of a policy framework to guide the functions of the directorate	Development of a County policies
Untimely disbursement of funds to the department.	Fast track timely disbursement of funds from the national treasury to the user department. Early and timely application for funding.

### Major Services/ Outputs to be provided in the FY 2024/2025-2026/2027 Medium Term Budget

#### Directorate of Sports

- Identify and develop sporting talent
- Support to County teams in the Kenya Youth Inter-County Sports Association tourney
- Purchase sporting equipment

- d. Upgrading Malaba sports complex

#### **Directorate of Culture and Social Services**

- a. Organize and lead community cultural festivals
- b. Participate in organizing and celebrating UNESCO celebrations
- c. Develop and implement county cultural and heritage policy
- d. Purchase and distribute assistive devices for PLWDs
- e. Support vulnerable groups (elderly, youth and women)

#### **Directorate of Youth Affairs**

- a. Mentor youth in entrepreneurship and business development
- b. Organize and participate in youth international day celebrations
- c. Training and capacity building of Youth council, Youth leaders and Youth associations
- d. Organize Youth Talent Search and Entrepreneurship competition
- e. Construction of Sub-County Youth Center

#### **Directorate of Gender**

- a. Organize programs to advocate against gender violence
- b. Development and implementation of county gender policy
- c. Organize sensitization events on gender mainstreaming and affirmative action development

#### **Directorate of Tourism**

- a. Organize and lead the county miss tourism event
- b. Map and document tourism sites and hotels countywide
- c. Organize and conduct tourism marketing and promotion events
- d. Organize stakeholder engagement

### **D. Strategic Objectives**

#### **CP 21: General Administration and Support services**

Efficient, Effective and co-ordinated service delivery

#### **CP 22: Promotion and Development of Sports**

To Promote and Develop Sports

**CP 23: Cultural Promotion and Development**

To Increase Cultural promotion and development

**CP 24: Youth Empowerment and Development**

To increase access to youth empowerment and development services

**CP 25: Gender**

Advocacy and Sensitization

**CP 26: Promotion and Development of Local Tourism**

Tourism promotion and Structure Development

## **6. Department of Transport, roads and Public Works**

### **A. Vision**

To develop quality, reliable, sustainable, and resilient infrastructure and provide access to safe affordable public transport systems.

### **B. Mission**

To expand public transport and build infrastructure with special attention to the needs of women, children and people with disability through the production of appropriate designs and increase investment.

### **C. Performance Overview and Rationale for Funding**

The department is made up of three directorates namely: Transport, Roads, and Public Works.

Its mandate is to provide an enabling environment for investment in the county and sustain standard road networks and public infrastructure. Further, the department gives technical and supervisory assistance to other departments in project implementation. The priority focus of the department is the development and maintenance of county road infrastructure, road safety campaigns, building works, and public transport and safety.

### **Expenditure Trends**

In 2020/2021, the department was allocated 1.49B of which 1.073B was spent, constituting 72% of the total allocation. In the year 2021/2022, the department was allocated 1.225B and only managed to spend 489M which constituted 40% of the total allocation. In the year 2022/2023 the department was allocated 566M and managed to absorb 454M which translates to a rate of 80% as indicated in the County Budget Review Outlook Paper (CBROP).

### **Key achievements**

- In the year **2020/2021**, The directorate of roads constructed 5.83 kilometers of standard bitumen roads in Amerikwai – Airstrip Road, Funyula Town Road, Bumala Market Access Road, Amagoro Primary – Aleles road, and Adungosi market road. In the same FY, the department maintained 142.1KM of roads across 35 wards in the County.

- Under Public Works, the Department undertook the construction of major drainage systems and Culverts. These include Busibwabo-Nasewa foot bridge linking Busibwabo to Matayos South ward, Kiriko box culvert in Malaba South ward, Agoromit-Gara box culvert linking Malaba South to Amukura East ward, Mama Amuchere box culvert in Malaba North ward, Okisimo-Kamusogon box culvert in Bukhayo North ward, Kasinge-Kangurakol box culvert in Angurai North ward, Cross road culverts in Agenga Nanguba, Ekişegere cross road culvert in Malaba Central ward, Ikapolok-Okuleu cross road culvert in Malaba Central ward, and Kabuodho – Kanoti box culvert in Nangina ward among others.
- **In the year 2021/2022** Approximately 70 km of new roads opened under the machine hire arrangement while 42.25 km of earth roads were maintained through the in-house Programme. The roads done include; Kodurkoit road, Kocholia hospital road, railways-Komolo road among others.
- The department oversaw the construction of Busia bus park to completion.
- The directorate of public works commenced the process of reconstructing Sidokho timber foot bridge in Bunyala South ward, and Bubamba timber foot bridge in Bunyala central ward which. The department also commenced construction of seven road access culverts in Matayos and Teso South sub-counties.

**The challenges encountered by the department include;**

- Sand harvesting along roadsides leading to undermining of roads and drainage structures e.g., culverts leading to severe destruction of roads by surface runoff and expensive remedial works.
- Inadequate supervision vehicles to enable engineers to go to the field. There are only two for the Department.
- Cumulated pending bills that cause intermittent fuel supply from suppliers leading to dragging of implementation of the works planned.
- Lack of axle load control (weighbridge) on county roads leading to overloading especially by cane, and building materials transporters leading to premature failure of gravel roads.
- Machines susceptible to breakdown due to wear and tear. The aging fleet equipment leads to high operating costs that require enhanced budgetary allocation without a revolving fund.

**Recommendations**

Going forward the department seeks to establish a revolving fund for mechanical and transport functions to assist in timely maintenance of the equipment and acquisition of new fleet and equipment. It also plans to advocate for

enhanced budgetary allocation for routine maintenance of classified roads to proper county standards. Plans are underway to establish and equip mechanical workshops to offer services to all county vehicles.

**The key priority areas in the medium term will be;**

- Routine Maintenance of County Roads
- Upgrading of County Roads to Bitumen standards
- Construction of minor and major drainage (Bridges & Box Culverts) Countywide.
- Emergency roads and public works, road and water safety campaign programme, construction and equipping of material laboratory
- Maintenance of county machinery and equipment

**Major services /outputs to be provided in the FY 2024/2025 – 2026/2027 MTB and link to CIDP, ADP and CFSP**

**i. Key Outputs**

- Road improvement and maintenance
- Road drainage network construction

**ii. Linkage with CIDP, ADP and CFSP**

The programmes to be funded in the budget estimates 2024/25 are drawn from the CIDP 2023-2027 and ADP 2024/25 and adheres to the ceilings set at the CFSP 2024/25.

**D. Strategic Objectives**

**CP 1: General administration support services**

To facilitate the coordination of programs within the department

**CP 2: Road Network**

To have safe, accessible, affordable, and sustainable transport for all

**CP 3: Alternative Transport Infrastructure Development**

To connect Busia County to other counties and the country by alternative forms of transport

#### **CP 4: Building Infrastructure Development**

To improve the working environment and enhance standards for roads and building works

DRAFT

## **7. Department of Public Service Management**

### **A. Vision**

To be a benchmark for high performing, dynamic and ethical public service.

### **B. Mission**

To facilitate a safe environment for an effective and productive work force that guarantees personal growth and sustainable development.

### **C. Performance overview and Rationale for funding**

#### **Introduction**

The Department of Public Service Management is composed of three sections namely; Human Resource, Security and Enforcement and Communication. In discharging its functions, the department liaises with the County Public Service Board in coordinating Human Resource and Records management functions.

The Department is charged with ensuring effort utilization and maximum development of human resource to embrace modern delivery, creating a harmonious working relationship between Management and employees, ensuring conformity to the relevant laws and regulations, streamlining and automating records management system, and ensuring effective administrative services.

The strategic goals, plans and objectives of development are to provide a conducive environment for effective and efficient workforce when embracing modern technology for delivery of quality service.

#### **Mandate**

The Mandate of the Department as per the Executive order No.1 of 2023 is to undertake the following: -

- i. Human Resource management and Development
- ii. Records Management
- iii. Staff Performance Management
- iv. Training and Capacity Building
- v. Organizational design and development
- vi. Industrial relations
- vii. Staff Benefits and Welfare Schemes
- viii. Guidance and Counseling HIV and AIDs

- ix. Employee relationship
- x. Promotion of Staff Cohesion
- xi. Staff Payroll Management

The Strategic goal, plan, target and objective of the department is to provide a conducive environment for an effective and efficient workforce while embracing modern technology for delivery of quality service.

### **Key Achievements**

- Conducted HR staff on Records Management.
- Ensured adhered to HR policies and law.
- Successfully Conducted payroll Audits.
- Conducted Induction Training on all Directors and Deputy Directors who were recently recruited.
- Successfully migrated to the Universal Human Resource payment portal.

### **Challenges in Budget Implementation**

- Inadequate working space for staff
- The Ceilings set for the Department covers mainly covers for Compliance Issues like Medical cover and Gratuity to Contract Staff.
- Insufficient Budgetary Allocation, hence limiting the scope for service delivery as most programs are underfunded.
- Insufficient workforce hence limiting the performance output per staff as most staff are overworked.
- Mobility challenges- lack of motor vehicles and motor cycles for supervision

### **Lessons Learnt**

- Need for early planning.
- Need for adequate budgetary allocation.
- Collaborating with Non state actors is effective in resource mobilization.
- Continuous consultation between elected and administrators is key in-service delivery

## Way Forward

- Timely disbursement of funds to departments to ensure programs run as per the timelines. Prudent use of allocated resources
- Early Planning should be adhered to so as to ensure the intended purposes for funding is achieved.
- Construction of Sub-County offices that can accommodate all County staff at the Sub County Level
- Constructions of model ward offices to avoid renting shops
- Purchase one vehicle per sub county and motor bikes for wards and village administrators.
- Provide adequate budget for office operations and capacity building
- Recruitment of casual support staff to assist village administrators

## D. Strategic Objectives

### CP 1: General Administration and support services

To increase efficiency and effectiveness in public service delivery

## 8. Department of Lands, Housing and Urban Development

### A. Vision

An excellent Department in land and urban management and in the provision of affordable and quality housing for sustainable development.

### B. Mission

To facilitate improvement of livelihood of Kenyans through efficient administration, equitable access, secure tenure, suitable management of land resources and access to adequate housing.

### C. Performance Overview and Rationale for Funding

Lands, Housing and Urban Development department is composed of directorates of Lands, Survey, Physical planning, Housing, Urban development, Human Resource Management services and Administration and two municipalities that is Busia and Malaba.

Both the municipalities are headed by an oversight board comprised of nine (9) members. Section 20 Urban Areas and Cities Act (UACA). Spells out functions of the board of city or municipality which include promotion of and undertaking of infrastructural development and services.

The Department aims at facilitating improvement of resident's livelihood through efficient administration, equitable access, secure tenure and sustainable management of Land resources.

It draws its mandate from various statutes and policy instruments including but not limited to the constitution of Kenya (2010), Land Act 2012, Urban Areas and Cities Act, Land Survey Act among others.

The docket's mandate includes.

- To facilitate improvement of livelihoods in the County through efficient administration, equitable access and sustainable management of land and land-based resources.
- To foster and manage the process of sustainable urbanization and Urban growth in the County.

In addition, the directorate through Busia and Malaba Municipality Board oversees the management and coordination of the activities of Urban areas and towns in collaboration with the County Executive Committee Members and the County Assembly.

#### **Expenditure Trends-Approved Budget Against The Actual Expenditure For The FY 2020/2021- 2022/2023**

<b>Financial Year</b>	<b>Approved Budget (Kshs)</b>	<b>Actual Expenditure (Kshs)</b>	<b>Absorption (%)</b>
<b>2020/2021</b>	483,806,062	203,665,121	42%
<b>2021/2022</b>	486,065,715	145,398,677	30%
<b>2022/2023</b>	459,123,246	259,443,656	57%

#### **Major Achievements for FY 2020/2021-2021/2022**

In a bid to improve and develop infrastructure within Busia Municipality, the department through the Municipality of Busia implemented the following programs in the financial year 2018/2019 – 2021/2022.

- Installation of fixed waste collection bins, high mast lights and non-motorized facilities - Major components in this project included installation of three hundred (300) units of litter bins within the Municipality, erection of five (5) units of 30m long high mast flood lights at Ojamii Primary, Stadium, YMCA compound, public works compound and Bus Park area.

- Supply and delivery of tractors with skip bin trailer and attachments - the project involved supply and delivery two (2) tractors, two (2) skip loaders and eight (7) skip bins for solid waste management within the Municipality of Busia.
- Road works, drainage, walkways/parking - this project entailed upgrading to bituminous standard of 600m Amukura-YMCA road, construction of approximately 1.2Km of side drains (with accompanying culverts), construction of parking lot next to Huduma Center and installation of road signage plus road marking.
- Upgrading of 2km gravel roads to bituminous standards, construction of 1.3km of pedestrian walkways and a parking lot, installation of one (1) high mast flood light at Bulanda Primary school and renovation of Municipality offices.

## **Achievements**

In the FY 2021/2022, the department made various achievements through its directorates.

- The department managed to purchase fifty seven point seven five (57.75) acres of land in various wards for different ward development projects, ranging from dispensaries, ECD schools, polytechnics, milk parks, markets and water projects; Okoa market, Elukhari dispensary,, Onyunyur VTC, Nasira Dispensary, Mujuru water project, kajoro Apokor Secondary school, kiriko market, Simuli Secondary school, Cultural centre, Bujwang'a market and Agogom polytechnic. In bid to secure these parcels of land and others purchased in the previous financial years, the department is finalizing the registration of the parcels of land. Furthermore, the department has continued to secure Government lands through installing posters indicating ‘‘Government land’’ for various projects which it has done on Musoma public land in Kingandole ward and surveying of the Government land to protect them from encroachment by the public.
- Infrastructural Development is key in growth of the urban centers and towns. During FY 2021/2022, the department installed solar mass lights at Maduwa and Siekunya in Nambale Township ward.
- The department-initiated construction works of trailer parks at Mundika and Malaba and completed the construction of bus Park in Malaba town. This in turn will help ease traffic in urban areas as well as increase the own source revenue for the County.
- In the financial year 2022/2023, the department through Busia Municipality completed upgrading of Alupe Complex Ring Road to bitumen standards boosting economic growth and infrastructural connectivity within Alupe surroundings.

## Challenges

- Lack of spatial plan leading to uncoordinated developments in urban areas.
- Use of manual land records that has led to delays in retrieval of land information records and has engendered fraud.
- Delays in acquisition of land due to prolonged succession process
- Encroachment of public land
- Lack of county employed substantive land valuer.
- Inadequate digital planning data and information

## Way forward

There is need for:

- Surveying, tilting and fencing of all county government public lands to reduce encroachment.
- Capacity-building the staff for effective and efficient delivery of services.
- Emphasis on monitoring and evaluation to keep track of projects being implemented.
- Preparation of County spatial plan in time to enable coordination of development projects across the county.
- Establishment of a G.I.S laboratory for easy access of data set.
- The county government to recruit its own land valuer for essential efficient and effective service delivery.
- Collaboration with other government agencies to realization of sector's mandate.
- Strong political goodwill in achieving planned targets.

## D. Program Objectives

### **CP 1: General Administration and support services**

To provide an effective and efficient logistical support system to improve service delivery

### **CP 2: Land Administration and Planning**

To have sustainable land use within the county

### **CP 3: Housing Development and Management**

To provide adequate, affordable, and quality houses and offices for county staff and county residents in collaboration with the National Government

## CP 4: Urban Management and Urban Infrastructure Development

Well managed urban centers and proper urban planning.

### 9. Department of Water, Environment, Irrigation, Natural Resources and Climate Change

#### A. Vision

Clean, secure and sustainable environment.

#### B. Mission

To promote, conserve and protect the environment and improve access to clean water for sustainable development.

#### C. Performance Overview and Rationale Funding

##### Mandate

The Department is composed of six directorates, namely; Water and sewerage, Irrigation and Land Reclamation, Environment, Natural Resources, Climate Change and Energy.

The Department is mandated to ensure the people of Busia County are provided with desired service levels in water provision under a secure and sustainable environment, developing efficient Irrigation systems to ensure food security and to capacity build on Climate Change Adaptation and Mitigation at the watershed levels in the County and to optimize the utilization of renewable energy resources available within the County towards achieving Sustainability

##### Expenditure Trends FY 2020/2021-2022/2023

Period	Budget Allocation (Kshs. )	Actual Expenditure (Kshs.)	Absorption Rate
FY 2020/2021	824,463,903	519,778,140	63%
FY 2021/2022	679,144,708	348,412,422	51.3%
FY 2022/2023	597,080,837	239,925,067	40%

#### Major Achievements

- The department has commenced last mile connectivity for Malaba water and sanitation project and has connected five institutions including Bishop Sulumet girls, Angurai Health Centre etc. thus increasing access to safe clean drinking water, Developing of County water policy in collaboration with development partners.

- Solarized 9 water sources which has significantly reduced operating costs of the water schemes and these includes Siekunya serving Nambale town, Khunyangu serving Khunyangu Sub County Hospital.
- Development of 250m<sup>3</sup> of storage and this includes 50m<sup>3</sup> of storage Steel Tank at Busia County Referral Hospital (BCRH) and its elevation is able to provide water to the ICU Unit hence saving lives of residents.
- Restoration of degraded areas through afforestation in areas threatened by Sand Harvesting, Quarrying and Erosion in places like Osipata, Madivira, Apegei/ Aciit and Odioi, initiated formation of County Irrigation Development and Coordination Units (CIDCU).
- The Directorate of Energy is currently implementing Rural Electrification projects countywide from the allocation of Ksh. 54.7 million, which attracted Kshs.35 million from the REREC matching fund kitty and maintenance of Mass lights at Amukura east ward Amukura Junction, Akobwait, Aturet and Sokomoko market.

## Challenges

The department's activities were hindered by;

- High cost of electricity due to over-dependence on energy from the grid for pumping.
- Governance problems among the water service providers and water management committees.
- Inadequate pipeline in high yielding water sources.
- Inadequate resources for last mile water connectivity for Malaba water and sanitation project to optimize distribution.
- Pollution and encroachment in our ecosystem.
- Destruction of transmission and distribution pipelines by other actors like road construction.
- Dilapidated water and Irrigation infrastructure that have outlived their design life and hence cannot meet the current water demand e.g. Port Victoria Water supply, Sisenye water Supply among others.
- Dilapidated irrigation infrastructure and non-functional schemes in the County and global climatic changes affecting the entire human settlement.
- Awareness levels are still very low on the departments mandate and activities.
- Poor land use practices and land degradation.
- Inadequate policies and legal framework to aid in governance of water, irrigation environment natural resources and energy and E-waste due to digital migration.
- Inadequate forest cover due to deforestation

- Unsustainable utilization/extraction of natural resources.
- Lack of digital Weather Station in the upper and lower regions of the county to real weather information for farmers.
- Lack of the GIS Laboratory and surveying equipment's e.g. Geodetic GNSS Set (RTK), total station one set and Ten Handheld GPS Extrex 64.
- Lack of the county climate change adaptation and mitigation plan
- Unsustainable utilization/extraction of natural resources.
- Inadequate water storage facilities.
- Vandalism of energy infrastructure.

## Way Forward

The strategic mitigation measures that the department is instituting to address its challenges include;

- Solarization of water systems in order to reduce dependence on grid energy as a major source of energy.
- Undertake pipe extensions to existing high yielding water sources.
- Every new project undertaken has enough marker posts along the pipeline routes and collaborating with road urgencies like KERA, KeNHA Kura and Public works to ensure they have a provision for reallocation of the existing utilities.
- Seeking enhancement of budgetary allocation to the department and partnering with development partners.
- Control pollution and environmental laws enforcement to prevent encroachment in the Eco-systems.
- Partnering with relevant partners and mapping up of all water infrastructures as an adequate measure to effectively controlling destruction of water infrastructure.
- Rehabilitation of the irrigation infrastructure to ensure reliable and efficient irrigation systems.
- Creating awareness on departments mandate and activities.
- To educate the residents on proper land use practices so as to reduce land degradation.
- To develop policies and legal framework to aid in governance of water, irrigation environment and natural resources.
- Ensuring proper E- Waste management and disposal.

- Increasing the forest cover through afforestation activities like, provision of adequate funding and cash flow to improve on project implementation.
- Sustainable utilization/extraction of natural resources.
- Enhanced water storage facilities
- Development of the County climate change adaptation and mitigation plan
- Installation of CCTV on solar systems.
- Instituting modern anti vandalism technology measures which include geo auctioning of energy infrastructure with the ability of tracking whenever they are removed from installation sites.
- Improved mechanical design of the equipment with the use of anti-theft screws to enhance their safety.

#### **D. Strategic Objectives**

##### **CP 36: General Administration and support services**

To facilitate the coordination of programs within the department

##### **CP 37: Water Supply Services**

To increase access to clean and safe water

##### **CP38: Environmental Conservation and Management**

To improve environmental management and protection and to sustainably manage and utilize natural resources

##### **CP39: Climate Change Mitigation and Adaptation**

To strengthen climate change resilience

##### **CP40: Irrigation and Land Reclamation Services**

To increase access to irrigation water and Land reclamation services

##### **CP41: Energy development**

To optimize the utilization of renewable energy resources available within the County towards achieving Sustainability

## **10. Department of Health Services and Sanitation**

### **A. Vision**

A healthy, productive, and internationally competitive county.

### **B. Mission**

To build a progressive, sustainable, technologically driven, evidence-based, and client centered health system with the highest attainable standards of health at all levels of care in Busia County.

### **C. Performance Overview and Rationale Funding**

#### **Mandate**

The health sector comprises three directorates which collectively aim to provide a comprehensive range of health services, including curative and rehabilitative health services and preventive and promotive health services. Curative Health Services is mandated with provision of primary health care, clinical services, health facility management and pharmacies, diagnostics services, nursing and rehabilitative services.

Preventive and promotive health services offers health education, community outreach, disease surveillance, and ensuring universal health coverage for all residents. Each directorate plays a vital role in addressing different aspects of healthcare to promote well-being and access to quality health services within the population.

#### **Expenditure trends FY 2021/2022-2022/2023**

The department's expenditures for FY 2020/2021 were Kes. 2.12 billion against an approved amount of Kes. 2.59 billion, representing an absorption rate of 81.7%. In the FY 2021/2022 the department spent Kes. 2.04 billion against a target of 2.51 billion, representing an absorption rate of 81.5%. In FY 2022/2023, the sector was allocated a total of Kes. 2.42 billion and spent Kes. 2.06 billion, representing an absorption rate of 82.1%.

#### **Major achievements**

##### **Procurement of Drugs and other medical commodities**

- The department successfully procured and supplied to health facilities medical commodities worth KES 178,951,706.78 million (excluding Laboratory commodities) in the past one and half years against an annual requirement of KES 870M needed to satisfy the commodity requirement for all the health facilities across the county.
- In the FY 20223/24 the department completed the construction of a 24-bed capacity general ward at Budalang'i Health Centre which is essential for admitting patients needing intensive care and ultimately improving health outcomes. It will also help decongest Port Victoria Sub County Hospital through reduced referrals.

- The completion and commissioning of Matayos Female Ward on March 8, 2024, is a step towards ensuring that all level IV hospitals possess necessary infrastructure in accordance with national operational requirements and KEPH guidelines
- Department acquired two 200KVA standby generators installed at BCRH and Nambale Sub County Hospital. This is aimed at solving the perennial issue of erratic power supply at our hospitals
- Achieving UHC is one of the targets the nations of the world set when they adopted the 2030 Sustainable Development Goals (SDGs) in 2015. To achieve this the department registered 10,030 indigents in December 2022 and January 2023 in addition to previously registered 20,000. Furthermore, KES 13.5 million was allocated for NHIF awareness and registration across the county. Optimization of NHIF indigents is ongoing and the department is targeting 13,050 indigents. This initiative will increase the number of community members with Health insurance cover and therefore protect the vulnerable from financial consequences of paying for health services out of pocket.
- The Department of Health and Sanitation has established the County Primary Health Care Implementing Technical Working Team derived from different health disciplines. The team has been able to spearhead the establishment of three Sub County Primary Care Networks; Matayos, Butula and Teso South in partnership with UNICEF. There exists need to scale up to incorporate Samia, Teso North, Nambale and Bunyala Sub Counties to have the whole County compliant with the Presidential decree of establishing 315 Primary Care Networks in the Republic of Kenya.

### **Community Health Services**

- The department has 233 fully functional Community Health Units, governed by 233 Community Health Committees, 2190 Community health promoters and 175 Community Health Extension Workers – CHEWs (CHOs, CHAs & PHOs), working in the CHUs.
- The County has received 2,116 Community Health Promoters' standard kits, 2,116 smart phones to be distributed for the CHPs to facilitate the establishment of the Electronic Community Health Information System – e-CHIS. We have also received 2116 CHPs commodity kits.
- All the 2190 CHPs trained and supplied with kits to treat malaria in villages, while 1100 have been trained on integrated community case management to manage childhood conditions supported by Living Goods. Department has a plan to have CHPs supplied with appropriate gear for providing their services under extreme weather conditions and in tough terrain.

- Department of Health and Sanitation trained 272 Healthcare Workers on Malaria Case Management and Malaria in Pregnancy. 36 Health Care Workers were trained on Malaria Surveillance Monitoring Evaluation and Operational Research. County and Sub County HRIOs and Malaria Coordinators were trained on Surveillance, Monitoring and Evaluation of Malaria Control activities.
- 26,007 LLINs distributed to ANC clients, 26,995 LLINs distributed to New ANC clients which signify 96.3% coverage of LLINs coverage for Pregnant Women. 25,049 LLITNs were distributed to under 1 year, and 24,287 children received malaria vaccine. There was 103.1% LLINs coverage for Children under 1 Year.
- Menstrual hygiene is vital to the empowerment and well-being of women and girls. Department rolled out the Menstrual Hygiene Management Programme to ensure that women and girls live in an environment that values and supports their ability to manage their menstruation with dignity. Advocacy and mentorship sessions were conducted across the county reaching a population of 11,678 as well as distribution of both Reusable and disposable sanitary pads that benefitted 2,850 adolescent girls across the county. Busia County was also privileged to host the national event on World Menstrual hygiene day.
- The Department with support from Fred Hollows Foundation has procured ultramodern ophthalmic equipment that is placed at BCRH, Khunyangu and Port Victoria Sub County Hospitals. Professionals have been trained to handle most of eye care cases handling basics to more complex eye conditions such as cataracts/ glaucoma and other conditions of anterior part of the eye.
- The department received additional slit lamp for BCRH, cataract sets, a scan, Auto refractor, Operating microscope, bipolar cautery machine for Port Victoria satellite eye clinic courtesy of Fred Hollows Foundation. With the above, the department has been able to perform 383 cataract surgeries and screened a total of 9,876 clients in all the sub counties.
- The role of the partners could not also be overlooked during the period, and their efforts in supplementing the county government's efforts were notable. Among the partners, Global Fund for their support towards Malaria, HIV/AIDS and TB programs, KEPRECON, Marie Stopes Dumisha Afya for HIV Comprehensive care, AMPATH (Population Health) for health systems strengthening and UHC, Nutrition International in Nutrition, Fred Hollows in Eye care Services, CEDC and other CBOs in Budgeting and advocacy, UNICEF in Child Health & sanitation, Health Systems Strengthening, planning and Budgeting, DANIDA, Red Cross and Living Goods in Level 1 interventions, advocacy and Health financing among others.

- We also collaborate with line ministries and departments, learning institutions, research institutions and business communities.

## **Challenges**

- Inadequate budget to procure drugs and commodities, recruit additional staff and Infrastructure Maintenance, implement departmental projects and programs.
- Contractors not meeting timelines in projects completion.
- Inflation that has reduced value of a shilling against other currencies
- Late release of funds from the county finance department has led to delays in payments and completion of critical programs.
- Inadequate allocation of funds for ISO certification of various county laboratories.
- Late release of funds from the exchequer has led to delays in payments and completion of critical programs.
- The department has also initiated a number of projects across the counties which are still ongoing at different levels there is need to prioritize completion of these projects in this financial year.

## **Way forward**

- Procurement contracts preferably are done during the first quarter to allow for implementation of same during the second and third quarters, to avoid spillage of projects into subsequent financial years.
- The full implementation of FIF Act will enable ring fencing of the department's resources to create more efficient and effective service delivery to the people.
- Investment in health human capital and infrastructural development needs to go hand in hand/commensurate for successful realization of improved health outcomes.
- Political goodwill and adequate financial support are essential in the implementation of health-related programs and projects.
- There is need to enhance domestic and external resources mobilization to bridge the resources gaps in the health sector care and service delivery.
- Training and motivation of staff in an effort to retain them is key.
- There is need to focus on completing already started projects.

## **Major services/ outputs to be provided in the FY 2024/25**

In the FY 2024/2025, the Department will focus interventions towards achieving Universal Health Coverage through completion of ongoing projects. The department will also strengthen efforts on Preventive healthcare programmes, including HIV, TB control, Nutrition interventions and Malaria control.

In the medium term, the sector aims to enhance access to quality curative and rehabilitative services by acquiring advanced life-saving ambulances and installing X-ray machines. This will enhance the capacity of emergency and referral services while reinforcing diagnostic capabilities.

### **D. Strategic Objectives**

#### **CP 42: General Administration and support services**

To facilitate the coordination of programs within the department

#### **CP 43: Curative and Rehabilitative services**

To Increase Access to Quality Curative and Rehabilitative Services

#### **CP 44: Preventive and Promotive health services**

To increase access to preventive and promotive health services

## **11. County Public Service Board**

### **A. Vision**

A beacon of professionalism, integrity, equity and dedication to quality public service

### **B. Mission**

To provide efficient and effective professional services for the realization of Busia County and National Development Goals through competitive recruitment, planning, developing and managing human capital.

### **C. Performance Overview and Rationale for Funding**

#### **Mandate**

The sector envisions being a beacon of professionalism, integrity, equity and dedication to quality public service. To achieve its vision the sector provided efficient and effective professional services for the realization of Busia County and national development goals through competitive recruitment, planning, developing and managing human capital.

The County Public Service Board is mandated to establish and abolish public offices, appoint and confirm persons to offices, promote public service values and principles, facilitate the development of human resource, exercise disciplinary control, and prepare regular reports.

In ensuring institutional professionalism and good governance, The Public Service Board promoted transparency, accountability and adherence to national values and principles through enforcement of Leadership and Integrity Act, 2012, Public Officer Ethics Act, Performance management systems and Training curriculum.

To Promote service delivery in the county public service, The CPSB ensured human resource requirements were addressed effectively through Developing an integrated electronic human resource database to facilitate HR Planning, Reviewing existing and develop new HRM/D policies and guidelines, Developing Human Resource in the County Public Service, Developing human resource plans for the county, Exploiting research Technology and innovation and Enhancing capacity of Board members and the Secretariat staff.

### **Achievements**

- Recruitment of staff in the following positions;
  - i. Audit Staff
  - ii. Health Staff
  - iii. Directors and deputies in all Departments
- Prepared the Departments Annual performance report 2023 financial year.
- Successfully undertook recruitment and subsequent deployment of County Chief officers to various departments.
- Validation of Human Resources Policies.
- Undertook Performance Management Policy

### **Challenges**

- Inadequate working space for staff
- Insufficient Budgetary Allocation, hence limiting the scope for service delivery as most programs are underfunded.

- Insufficient workforce hence limiting the performance output per staff as most staff are overworked.

### **Lessons Learnt**

- Need for early planning.
- Need for adequate budgetary allocation.

### **Way Forward**

- Timely disbursement of funds to departments to ensure programs run as per the timelines.
- Prudent use of allocated resources.
- Early Planning should be adhered to so as to ensure the intended purposes for funding is achieved.

### **D. Strategic Objectives**

#### **CP 45: General Administration and Support services**

To increase efficiency and effective logistical management

## **12. County Law Office**

### **A. Vision**

To be the best public legal service provider and promotion of democratic principles and accountability in devolved government.

### **B. Mission**

To facilitate and promote good governance by recognizing diversity and protection and promotion of interest and rights of people through provision of public legal services in the County Government.

### **C. Performance Overview and Rationale for Funding**

The department is comprised of the; County Attorney, County Solicitor, Legal Counsel and other staff members. It is mandated to provide efficient and effective legal serves to all in the public domain and County Government. It provides advisory and enactment of laws in all the Departments in the County Government. This department's budget has been inclusive in the Governorship budget all along, thus this being the first year to be independent we have therefore introduced sub- programmes namely: Litigation services, Legal fees, dues & compensation, Legal audits

and risk management, Law review and revision, Legislative drafting & development, Gazettement & publication with their respective facilitative monetary values estimates for easy and effective execution of legal services.

## **1. Departmental performance**

### **Mandate**

The departments mandate is to provide timely, objective and reliable legal support to the county government and its departments on all legal matters that may arise in the execution of their constitutional and statutory mandate.

### **Major achievements**

- Development of legislation for the imminent abolition of Preliminary Enquiries
- Development of policies
- Collaborations with key international partners for training and programmes for justice sector agencies and personnel
- Strengthening legislation on the Interception of Communications
- Implementing the Constitution contributes to timely enactment of laws
- Effective co-ordination of the various agencies in developing the legislations

### **Challenges**

- Inadequate resources such as office accommodation, supplies and equipment, technology,
- Effects of Budget Cuts that affected the implementation of various programmes and activities across.

### **Way forward**

- The department to allocated adequate funds/resources
- Timely approval of planning documents so that the department can have adequate time to carry out implementations

### **Linkage to CFSP/ADP/CIDP**

The department's budget estimate sector and programmes has been confined and guided by the set resource ceiling in the County Fiscal Strategy Paper.

## **D. Strategic Objectives**

## **CP 46: General Administration and support services**

To increase efficient and effectiveness of legal Services

### **13. Department of Strategic Partnerships and Digital Economy**

#### **A. Vision**

To forge sustainable digital transformation and foster impactful partnerships for a prosperous and inclusive digital economy

#### **B. Mission**

To leverage technological innovation, foster strategic partnerships, integrate Sustainable Development Goals (SDGs), and ensure digital infrastructure resilience for a prosperous, inclusive, and sustainable digital economy.

#### **C. Performance Overview and Rationale for Funding**

##### **Mandate**

The mandate of this department derived from H.E the Governor's Executive order No. 2/2023 is to ensure effective and innovative use of Information, Communication and Technology (ICT) resources and to use this among others to identify, enable, formulate, promote and foster beneficial multi-sectorial strategic partnerships for the County.

##### **Major achievements**

- The County government has started implementing a Health Management Information System to help digitalize and automate health services. The initial stage is underway at BCRH, and other facilities are planned to follow suit by the end of the year.
- The County Government is in the process of automating its revenue collection methods, and the already automated streams have seen an uptick in revenue. The county government is aiming to fully automate all revenue streams by the end of the year to maximize its potential.
- The county has procured hosting, data storage, archiving and back up services from Konza Metropolis Data Centre to enhance data security, authenticity and integrity. This initiative also supports and guarantees business continuity during emergencies. These actions align with the county's information and cyber security policy.
- The county is now connected to fibre-optic for internet access at the county headquarter

## Challenges

- Outdated equipment- there still exist hardware and software resources that require upgrade to the current technology specifications. In-compatibilities are prone with the outdated infrastructure when rolling out new solutions.
- Lack of resources- we lack the necessary infrastructure to set up the desired efficiency.
- Insufficient human capital- the department lacks sufficient human capital to provide necessary services across the county in support of the solutions being implemented through automation and end-user support.
- Inadequate budgetary allocations to finance programs and operations considering that it is a new department.
- Delayed disbursement of funds hindering effective service delivery.
- Inadequate ICT facilities to enhance digital skills trainings hampering digitization prospects.
- Lack of office space and office equipment.

## Outputs and linkage to CFSP/ADP/CIDP

Key outputs that have been identified on CIDP are establishment of ICT networks, hotspots established, resource centers established, CCTV infrastructure installed, and ICT centers established. On ADP the outputs have been directly linked to CIDP through enhanced county automation and enhanced ICT infrastructure and connectivity. Ideally, the outputs have been linked to CFSP through aspects of automation of County systems, and enhanced ICT infrastructure.

It should however be noted that, the linkage to CIDP/ADP/CFSP was not fully done in strategic partnerships directorate because it was established after the development of the CIDP.

## D. Strategic Objectives

### CP 47: General Administration and support services

To promote partnerships with government institutions, private sector, foundations, civil society, bilateral and multilateral partners and other players for synergistic development of Busia County.

### CP 48: Information Communication Technology

To improve ICT Services in the County

## **14. The Governorship**

### **A. Vision**

To be an institution of honour and excellence for a democratic and prosperous County.

### **B. Mission**

To provide timely and quality services to the residents of Busia through efficient utilization of resources for the fulfilment of the Governor's mandate.

### **C. Performance Overview and Rationale for Funding**

#### **Mandate**

The Governorship comprises of the office of the Governor, Deputy Governor and County Secretary.

The office of the governor is mandated to spearhead policy formulation, promote rule of law, enhance order, mobilize resources, coordinate and supervise effective and efficient public service delivery. The office of the governor is always keen on disaster occurrences hence carrying immediate response through the directorate of disaster management.

The office of the Deputy Governor has two core units namely; Policy Coordination and Legislative. The office of the Deputy Governor is the hinge of the County government on matters of the County capacity development for policy formulation and coordination.

The office of the County Secretary is a creation of the law and is captured in section 44 of the County Government Act, 2012. The County Secretary is the head of the County public service, responsible for arranging the business and keeping the minutes of the County Executive Committee subject to the directions of the Executive Committee, convey the decisions of the County Executive Committee to the appropriate persons and authorities; and perform any other functions as directed by the County Executive Committee.

#### **Achievements**

- The Disaster Management Directorate aims at spreading disaster management personnel and disaster equipment in preparedness to respond to disaster occurrences. Another modern firefighting engine was acquired in the financial year 2020/2021 budget and has been stationed in Malaba town to help curb spread of fire as experienced in the past.

- The directorate has so far established three Disaster Command Centres across the County one in Amagoro -Teso North which is complete, the County headquarters Matayos Sub-County which is in phase II awaiting completion and the Funyula Disaster Centre Samia Sub-County which has been advertised for bidding.
- The Directorate carried out fire compliance inspections for the newly constructed storey buildings at central business district(CBD) and other business premises across the County and issued compliance certificates.
- Distributed relief food and non-food items to families affected by floods, windstorms and hailstorms in Kekalet-Teso North, Kakurikit-Teso North, Bunyala South, Chakol North, Igula-Butula
- The directorate has also done dredging and opening of canals in Bunyala Sub county to control floods by channeling water to Lake Victoria.
- Disaster Risk assessment was done on roads and bridges affected by the October and November 2023 rains in Bunyala Sub-County and reconstruction of the damaged roads and bridges were done.
- Installation of lighting arrestors to avert the lightening menace has also been done. The arrestors were installed in Bunandi primary, Matayos Health Centre, Kakurikit Primary, Namalo Primary and Agenga Dispensary, Okook Primary, Ekisumo Primary. This is an ongoing initiative to safeguard the lives of pupils and the community members.
- The directorate of disaster management and emergency response has mainly focused on disaster risk reduction; enhance public awareness and safety and disaster response. The county government through the directorate of Disaster management and Emergency response has undertaken disaster risk reduction strategies, firefighting, rescue operations, safety training, fire investigation and flood assessment and response.

**The Directorate intends to carry out the following activities in the next financial year:**

- Install four more lightening arrestors in St. Paul's Elwanikha girls sec, Burinda Pri, Sikulu Pri and St. Paul's Amukura High school
- Complete a disaster management center in Funyula –Samia Sub-county.
- Dredging and opening of canals to effectively manage and regulate flow of flood water thereby reducing the risk of widespread damage to communities and farm land.
- Disaster preparedness as an activity to address the everyday risk and increase effectiveness of disaster emergency response.
- Develop a County Disaster Risk Management Policy.
- Distribution of relief both food and non-food items.

**Challenges:**

- Failure to actualize emergency fund.

- Lack of County Disaster Risk Management Policy
- Understaffing.
- Poor coordination amongst stakeholders both vertical and horizontal.

## **E. Strategic Objectives**

### **CP 49: General Administration and support services**

To facilitate the coordination of programs within the department

### **CP 50: Disaster Risk Management**

To improve on disaster risk reduction and public safety

## **15. County Assembly**

### **A. Vision**

To be a modern County Assembly that fulfils its constitutional mandate and effectively serves the people of Busia County

### **B. Mission**

To build an effective County Assembly that is responsive to the needs of the people and that is driven by the ideals of realizing better quality of life for the people of the Busia County.

### **C. Performance Overview and Rationale for Funding**

The County Assembly core functions are to develop legislation, perform oversight and representation. In the financial year 2023-24 the county assembly intends to undertake general administration and support services and infrastructural development programmes. Under infrastructural development the county assembly intends to purchase land and construct ward offices

### **D. Strategic Objective**

#### **CP 51: General Administration and support services**

Effective and efficient service delivery

## CP 52: Legislation, Representation and Oversight
